The foregoing is an invoice of the ratable estates and polls for resident and non-resident owners of land and other ratable property in the Town of Fitzwilliam, County of Cheshire, State of New Hampshire, as taken by us April 1, 1951 and a correct list of the town, county and school taxes assessed by us on the same.

WALTER M. STONE,
HOWARD M. WEST,
FRED P. WILKINS,
Selectmen of Fitzwilliam.

Fitzwilliam, N. H., Cheshire, ss.

We, the undersigned selectmen of Fitzwilliam, do solemnly swear that in making the invoice for the purpose of assessing the foregoing taxes we appraised all the ratable property at full value, as we would appraise the same in the judgment of a just debt to a solvent debtor.

WALTER M. STONE,
HOWARD M. WEST,
FRED P. WILKINS,
Selectmen of Fitzwilliam.

Fitzwilliam, N. H., Cheshire, ss.
October 27, 1951.

There personally appeared before me the above named selectmen, Walter M. Stone. Howard M. West and Fred P. Wilkins, and made oath that the above signed by them is true.

Before me,
WILLARD M. BLODGETT,
Justice of the Peace.

ROAD AGENT'S REPORT

MAINTENANCE AND NEW CONSTRUCTION

The highway department has performed the usual maintenance work on town roads in the past year. This has included grader work and the trucking and placing of gravel in many places. The roadsides were all mowed once, and the usual winter plowing and sanding was done.

Twenty-one new culverts were installed, either to replace old ones or in new places.

The total amount of gravel hauled and put on town roads was 6,043 cubic yards.

The following new construction was carried out:

1. One street in the depot village was widened, rebuilt and oiled.
2. Two new pieces of road were built at the south end of Laurel lake, one to extend the black top to the Cox-Bullock place on the old road to Royalston, and the other to extend the black top from the Fleur de Lis Camp to the west for a considerable distance.
3. The road by the Spicer residence at Bull Run was gravelled.
4. Some of the road in the old cemetery was graded and newly gravelled.

OILING TOWN ROADS

This year 2.3 miles of black top road was surface treated with stone, grits and asphalt top, and also 2.2 miles was treated with asphalt sealing.

In addition to this about 80 cubic yards of patching mix was used in repairing wear on existing black top roads.

FIRE WARD'S REPORT

Year 1951

We are very proud to say that we have two very efficient Fire Companies in this Town, and the men in these companies are very prompt and ready at any time to answer your calls and come to your aid and rescue in times of distress and danger. They certainly do good work.

The equipment of these companies is very good and consists of Fire trucks, Booster Tanks, Pumps, Hose, Ladders, Nozzles, Portable Pumps for forest fires and many more articles for fire fighting.

We have been very fortunate the past year in not having too many fires. We hope it continues that way, but nevertheless folks be careful and prevent any cause for fire by matches, cigarettes, burning of papers, leaves or bonfires.

The companies have responded to calls as listed:

ENGINE NO. 1

Jan. 20	Automobile fire, Winchendon Rd.
Jan. 21	House fire, Nolan, Bowkerville.
Jan. 29	Automobile fire, Troy Rd.
Feb. 3	Automobile fire, Patterson's Garage.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

January 9, 1952

Board of Selectmen,
Fitzwilliam, New Hampshire.
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1951, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds, Plante Memorial Park Commission, Treasurer of the Elliot Institute, Library Treasurer and Village District.

FINANCIAL STATEMENTS

Comparative Balance Sheets—Dec. 31, 1950—Dec. 31, 1951: (Exhibit A)

Comparative Balance Sheets as of December 31, 1950 and December 31, 1951, are presented in Exhibit A. As indicated therein the financial condition of the Town changed from a Surplus of \$1,198.57, to a Net Debt of \$1,102.67, during the year 1951.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus

Long Term Notes Issued	\$3,000 00	
Decrease in Tax Collector's Cash on Hand (A/c interest)	1 92	
	<hr/>	\$3,001 92

Increases in Surplus

Net Budget Surplus	\$675 68	
Increase in Accounts Receivable	25 00	
	<hr/>	700 68

Change in Financial Condition	\$2,301 24
-------------------------------	------------

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1951, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$893.62, less a net revenue deficit of \$217.94, resulted in a net budget surplus of \$675.68.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1951, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1951, is indicated in Exhibit F.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Conclusion:

The accounts and records of all town officials which we examined were found in good condition and the accounting procedure conformed to the prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER,
 Director,
 Division of Municipal Accounting
 State Tax Commission

Alan R. Matthews, Auditor.
 Hugh J. Cassidy, Accountant.

January 9, 1952

Certificate of Audit

This is to certify that we have audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended December 31, 1951, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town, together with the results of operations for the period under review.

Respectfully submitted,
HOWARD G. FOWLER,
 Director,
 Division of Municipal Accounting
 State Tax Commission

Alan R. Matthews, Auditor.
 Hugh J. Cassidy, Accountant.

REPORT OF THE LIBRARIAN

Cataloging of all adult fiction is completed as well as the Travel Section, comprising at present 315 volumes. Work on the Religious, Poetry, Essay and Drama sections will be undertaken next and completed by summer.

The change in the charging system has worked out very satisfactorily. Each book has its own identification card, which when the book is taken out, the borrowers name and date due back are entered and placed in a special charging file.

A total of 172 volumes has been added the past year up to Jan. 1, 1952. 69 of these were purchased through the Ida Esdaile Fund, made possible in part by the Supreme Court broadening order.

Circulation 1951	
Juveniles	769
Fiction	1,876
Non fiction	684
	<hr style="width: 10%; margin: 0 auto;"/>
Total	3,329

Arrangements have been made to supply a rotating library for the use of all grades at the school. Volumes will be selected by the teachers or representatives of the Parent Teachers Assoc. who will be responsible for all books taken out.

The Trustees again call attention to the fact that the Reading Room has a large list of popular magazines which have a wide range of interesting articles, and urge that this facility offered be made more use of by the town in the year to come.

RODMAN SCHAFF,
Librarian.

THE STATE OF NEW HAMPSHIRE

SCHOOL DISTRICT WARRANT

To the inhabitants of the School District in the town of Fitzwilliam qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 5th day of March 1952, at 2:00 o'clock in the afternoon, to act upon the following subjects:

Art. 1. To bring in your votes for the election of a moderator, clerk, board member and treasurer.

The polls will be open not later than 2:00 p. m. and close not earlier than 9:00 p. m.

You are hereby further notified to meet at 7:30 o'clock in the evening of March 5th, 1952, at the town hall to act upon the following subjects:

Art. 2. To hear and act upon the reports of agents, auditors, committees or other officers chosen.

Art. 3. To see if the district will vote to petition the State Tax Commission to have an audit of the school accounts by the division of municipal accounting, or take any action thereto.

Art. 4. To see what sum of money the district will raise and appropriate for the support of schools, for salaries of school district officers, auditors and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town, or take any action thereto.

Art. 5. To see if the district will vote to raise and appropriate the sum of two thousand two hundred forty-four and nineteen one-hundredths dollars (\$2,244.19), to be made available to the school district prior to July 1st, 1952 in order to reimburse the 1950-51 budget deficit as referred to in this report, or take any action thereto.

Art. 6. To see if the district will vote to raise and appropriate \$250 for the purpose of a suitable plaque on the school building and appoint a committee to purchase same and arrange for a dedication ceremony, or take any action thereto.

Art. 7. To see if the district wishes to transport the pupils from the village common and the depot, to and from the school and raise and appropriate \$90 for the additional cost for one year, 1952-53 or take any action thereto.

Art. 8. To see if the district wishes to transport pupils living in districts subject to bus routes, to and from a specified distance other than the one and one half miles to a bus line, as provided in Chap. 135, Sec. 8 of the revised laws, and authorize the district to raise and appropriate the additional sum of \$270 to cover the cost for one year 1952-53, or take any action thereto.

Art. 9. To see if the district will vote to raise and appropriate the sum of \$970.59 to be made available to the school district prior to July 1st, 1952 in order to meet the additional expense of the new driven well, which amount is above the balance of the well account \$1,492.08, or take any action thereto.

Art. 10. To see if the citizens of the Fitzwilliam School District will vote to continue the study of a cooperative district, the purpose being for the study group to recommend changes in the present Enabling Act, the object of said changes to make it possible to bring more acceptable plan to the towns interested.

WILLARD M. BLODGETT,
 ERNEST L. BELL, JR.,
 ELINOR S. STONE,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

The new school year opened on Sept. 5, 1951 with the return to their teaching positions of all members of the staff except Mr. Pratt, who accepted a position as school principal in Orleans, France. It is a distinct advantage to the children of the school to have the services of experienced and well-trained teachers who are acquainted with the community over a number of years, as is the present staff.

The success of the school program rests upon teachers who are well supplied with the tools of their trade,—books and equipment. As superintendent, I feel that my most important job is to encourage and help the teachers and to provide them with the best tools available for their work. To that end, each teacher has been visited in her classroom once every two weeks. In this way, the resources of the film strip library, picture file and phonograph record library at the union school office, is readily available.

In my opinion, it is regrettable that Fitzwilliam, with its fine lunchroom and kitchen, did not participate in the Federal Lunch Program. This program is operated at no cost to the local community through the United States Agricultural Department. So far this year many foods such as apples, prunes, peanut butter, peaches, peas, beans, orange-juice, cheese and others have been distributed. Fitzwilliam's share of these foods was valued at over \$500. Fitzwilliam was the only community in the state to drop out of the Federal program.

Efforts should be made to grade and seed the school grounds this year. The problem of protecting the floors from mud and sand is a difficult one for the janitor.

The PTA deserves real praise for its work in providing playground equipment, library books and support for the school program. May their efforts continue.

C. L. BOWLBY,
Superintendent.

REPORT OF STAFF

Mr. Charles L. Bowlby, Superintendent of Schools,
Marlboro, New Hampshire.

We hereby submit our report as staff of Dr. George S. Emerson school.

In Grade One we are busy learning the Three R's. We have new alphabet and phonic cards which are helping us greatly. We are learning to use and enjoy our school library. We are very appreciative of our new playground equipment and enjoy our lovely classroom with its many facilities. We have excellent textbooks and visual aids available to us. We enjoy being in the same building with our brothers and sisters, and thank all who help make our school such a nice place.

The Reading Program is the most important phase of the Second Grade, the other two R's and related subjects each having a place of importance. The Phonetic Method receives the greatest emphasis. Two important factors in enriching reading recently have been colored film strips and the school library. The social life of the children has benefited greatly from our Central School. The children are placed in a more life-like situation, as they associate with children of other ages and interests. This helps to create the favorable attitudes of helpfulness and tolerance. We share daily books, phonograph records, the film projector, the Ditto machine, professional ideas and illustrative materials of marked educational value. The teaching possibilities are, therefore, enriched and subject matter continuity greatly improved.

Although the stress has been on the Three R's in Grade Three, other activities, such as folk dancing and listening to good records, are being enjoyed. Phrase cards,

phonetic drill and film strip are being used in the reading program, and children are being grouped according to their ability. The new school library stimulates interest in reading. Many new devices have been added to make arithmetic more meaningful. Through providing an opportunity for pupils and teachers to work together as a unit, the central school has improved teacher-pupil relationships.

Working together means planning and cooperating ahead of time, solving problems before they become critical, and discussing each other's teaching methods. Working together has meant doing away with a great many problems. We have the advantage of more visual aid equipment, a growing library, and a working Parent-Teacher Association. This has brought about a closer parent-teacher relationship. Because of the fact that after Grade Four arithmetic will become increasingly more difficult, the deep stress has been teaching the pupils how to reason. Reasoning is an inborn trait, but must be nurtured continuously. This means slightly slower progress in subject matter, but greater ultimate results. Where the Social Studies are concerned, the method has been to make the subject matter as life like as all sorts of visual aids will permit. Education is the gaining of usable knowledge in preparation for life. A good preparation makes for a better life.

In the Fifth and Sixth Grades there is emphasis upon teaching the whole child. He must know facts: for example, mathematics needed for life experiences, how to use these facts and where to find what he does not know. He learns to go along and to work happily and successfully with others. Attention is paid to posture, sitting or standing, and other health factors. He also makes repeated decisions, choices and votes for what he considers right. These grades are definitely alive with enthusiasm for nature. Look in on us anytime and see for yourselves. In Domestic Arts, the Junior High Girls are learning good grooming, cooking and sewing, with emphasis upon planning, economizing and care of clothing, furnishings and

foods. We are very grateful to the P. T. A. for the repair of both of our sewing machines.

Our pupils in Junior High school are normal young Americans. Their curriculum consists of more, and advanced, subject matter for mental training and preparation for high school. Self-reliance and critical thinking are encouraged. The ability and desire for self-direction becomes important. An effective form of student council will very soon be instituted. The pupils will grow in knowledge and responsibility for directing their own school affairs, with guidance. Our pupils are fortunate in having woodworking and homemaking with trained teachers. Not all schools offer these courses. Most of the activities mentioned are directly traceable to our central school plant. Our facilities are excellent and we are improving them constantly. We urge all parents to visit us in class.

The Staff,

ANNIE L. KNAPTON,
MADELEINE BASTO (MRS.),
EVELYN M. DAMON (MRS.),
AVIS B. TUCKER,
ELVA M. RAWDING (MRS.),
DONALD M. PARKER.

REPORT OF PRINCIPAL

This report is supplementary to the report of the staff. It is concerned with the more general areas of our school.

ENROLLMENT

The registration in September showed a total of 157 pupils in grades I-VIII. The following table shows the enrollment broken down by grades and sex:

	Boys	Girls	Total
Grade I	7	12	19
Grade II	9	16	25
Grade III	15	15	30
Grade IV	7	8	15
Grade V	15	7	22

Grade VI	11	2	13
Grade VII	9	6	15
Grade VIII	10	8	18
	—	—	—
Total	83	74	157

STAFF

We are to be envied for the quality of our staff members. Miss Knapton has a wealth of patience and understanding, and a genuine affection for little people, besides being a teacher of great ability. She possesses the characteristics which make the superior first grade teacher. Mrs. Basto, highly competent in other aspects of second grade teaching, is especially apt in communicating a love for art to her pupils. In the third grade room many things are seen, but here is arithmetic at its best, and Mrs. Damon's excellent instruction. Social Studies (geography and history) is Miss Tucker's especial affinity, and her pupils have a lot of "something extra" in that respect, though no studies are slighted. Mrs. Rawding's room is always a beehive of activity, and here are the observable results of cooperative enterprise at its best. Our teachers are good because they like their work. They are better than good because they are in constant attendance at professional training courses, ever-improving and well informed beyond the requirements of duty.

CURRICULUM

The members of the staff have mentioned in the preceding report the effect of the central school on the curriculum. This is undoubtedly true. The continuity of learning is a highly desirable factor in education, and it has improved in the central school. The teachers are in close touch with the teachers in the next lower and the next higher grades, and pupils benefit because of this. The eight grades mingle in the lunchroom and on the playground, and mature more smoothly. General assemblies are possible. The pupils take care of their new building and show pride in it. A common school spirit now exists. The harvests we reap from our new building are

prodigious. The teaching materials, the textbooks, and methods are up-to-date, for we are educating today's children.

SPECIAL STAFF

Our Music Supervisor is Mrs. Azalea Wilson, who is well qualified and competent. How the smaller people enjoy her folk dancing periods! Mr. Cecil Nash is our Manual Training instructor, and a very good one. We are fortunate to be able to have his services. Our janitor, or custodian, Mr. Height, keeps the building well. He is efficient and cooperative, always willing to help. Mrs. Height often helps him, and they get along fine with the pupils. The dry food of learning would prove a stale diet to us all if it were not seasoned with the tasty and wholesome meals served by Mrs. Lillbach and Mrs. Baldwin. Our Hot Lunch program runs very smoothly. The School Bus drivers, Mrs. Matson, Miss Flagg, and Mr. Whipple, are reliable and punctual. It is good to feel that the pupils are safely transported, and that a big job is well done. Miss Davis is on hand each morning for sick call and has tested the pupils' hearing. She is a source of comfort to the staff and pupils.

SCHOOL PLANT

The school plant has proven highly satisfactory. Upon first seeing it, I was struck by the beauty of the natural lighting. The light is evenly distributed in all rooms. Light meter readings of the classrooms prove that they are extremely well illuminated. The artificial lighting is very good. The hot water heating system is steady and comfortable. The teachers' room is well used and fully appreciated by the staff. The playground equipment is an excellent shock absorber of youthful energy, fully appreciated by children and teachers.

TOWN

The Parent Teacher Association is very active and interested, and to it goes most of the credit for our school library. Enthusiastic might better describe the P. T. A. Many of the citizens have been very helpful in their willingness to lend material to the school. Not only that, but

gifts to the school were a piano and a studio couch. This denotes a fine spirit in the town. The public library has been most considerate and generous toward the school, and has made possible a wider distribution of books to the children through the school library. A Christmas dinner was made possible by generous donations of townspeople. There could hardly be better relations between the people and their school.

In closing, I should like to make three statements. The first is an urgent recommendation that the people of Fitzwilliam consider the landscaping of their school. There is room for much improvement, which need not be expensive. We can all operate a shovel. The second is that, while we have an excellent school plant and staff, a school is never complete without the active, interested support of the townspeople. The survival of any town depends upon its children. The last observation is that I personally find my work in Fitzwilliam very satisfying, and desire to remain and become part of the town.

Respectfully submitted,

DONALD M. PARKER,

Principal.

REPORT OF INDUSTRIAL ARTS INSTRUCTOR

Although the shop program is in its embryonic stage, progress is being made toward the essential characteristics necessary as outlined for industrial arts in general education.

It is hoped eventually, that the shop program can be set up as a "general shop," having two or three different activities being carried on at one time. It is within the realm of possibility that this can be accomplished. In order to do this, however, it will necessitate obtaining more power tools of a nature to speed up the time now being spent in getting lumber down to rough dimension and the like. This does not mean that the essential hand tool processes will be excluded. One is as essential as the other. It does mean that a lot more can be accomplished in the precious time allotted to the shop program.

A lot of credit is due last year's classes for the progress shown in the shop. Most of their available time was spent in making benches, etc. It was possible for the instructor to lend a hand after classes, Saturdays and at other times, to do some of the necessary improvements. This year all the time in class has been spent in making projects under guidance. Owing to the instructor's time schedule as set up, it is impossible to spend outside time in the improvement of the shop. However, it is hoped that as time goes on, improvements can be steadily forthcoming, even though the progress maybe slower than anticipated.

Respectfully submitted,
 CECIL B. NASH,
 Industrial Arts Instructor.

STATEMENT OF SCHOOL LUNCH PROGRAM ACCOUNT

Fiscal Year Ended June 30, 1951

A new kitchen, the addition of running hot water, a Garland gas range and a near by large storage closet made the preparation of lunches a pleasure with a minimum of effort.

The lunchroom accommodates all the children in two sittings, the older ones first, then the little folks, because of their need for more time at the dinner table.

The first four grades made table decorations, while the other grades made wall posters showing the correlation of school lunches and the class room studies. The table decorations were exhibited at the school lunch workshop in Plymouth, which I attended, and also at the School Food Service Association meeting held at the Statler Hotel in New York City.

"Tasters" were delegated daily from the first and second grades, who after a visit to the kitchen to taste the days menu would discuss in their respective classroom the food being served. In this way many new foods were introduced without the proverbial, "What's that" or "I don't want any."

Left over fruit, fruit juices, cookies or a sandwich was given to the twenty-six children who received cod liver oil daily.

We were very grateful to Mr. Page for purchasing and loaning to the lunch program a refrigerator for our milk supply that was delivered every other day.

Mrs. Wilson, music supervisor, had lunch each Friday.

Received from the U. S. Dept. of Agriculture:

1 case peanut butter
 2 cases orange juice
 7 cases tomatoes
 4 cases cherries
 2 cases cranberry sauce
 1 case grapefruit sections
 1 case butter (31 lbs.)
 Boxes butter
 Boxes apples
 10 smoked shoulders
 3 frozen turkeys
 Bags of potatoes
 1 bag pea beans (100 lbs.)
 70 lbs. cheese
 56 lbs. dried egg
 100 lbs. powdered milk
 3 No. 10 cans orange juice

At the close of the school lunch program, all unused USDA items were redistributed to other schools in the Union serving hot lunches.

In Miss Cutter's review of the program she suggested the purchase of sauce dishes or the possibilities of a deep freeze unit.

Mrs. Silas White was a very capable assistant on the program.

I wish to extend my thanks to the teachers and all others for their cooperation in making the lunch program the success it was.

JESSIE W. F. BOSWORTH,
 Supervisor.

REPORT OF MUSIC SUPERVISOR

I herein submit my report concerning the elementary music program in the school. The aim of the music program is to develop a love and appreciation of good music and the desire to participate spontaneously in group work, both vocal and instrumental. A comprehensive course is

given, starting with rote singing in the first grade and covering the prescribed fundamentals in each grade through the eighth. An opportunity is given for each pupil to play in a rhythm band in the lower grades and in a tonette band in the intermediate grades. Folk dancing also is part of the music program as well as is music appreciation.

A Christmas program including all grades was presented in the auditorium of the school and a Memorial Day program was given at the Town Hall. The music for graduation was presented during the exercises. This present year will find the children presenting an operetta in the early spring.

The pupils are enthusiastic and appreciative of all phases of the music program. I find the record library available in the Union office, to be of real benefit to the pupils of the schools.

Sincerely,
 AZALEA WILSON,
 Elementary Music Supervisor.

REPORT OF THE SCHOOL NURSE

The general health of our young people is of paramount importance. They must be well to do well. Absences have been general and very frequent this fall and winter. School time lost may never be fully recovered. An absent pupil receives little benefit from school. We all want to see pupil illness and absence at a minimum.
